CHAMPION'S LEVEL

Celebrating over 66 Years of Miracles, the Mid-South Lions Sight And Hearing Service has treated indigent patients from Arkansas, Mississippi, Missouri and western Tennessee in an effort to preserve and restore their sight and hearing. Mid-South has examined and treated thousands of needy Mid-Southerners at no charge to the patient. Since 1942, Mid-South has examined over 25,000 sight and hearing impaired individuals, providing over \$20 million dollars in service value to those less fortunate.

For your convenience, we have developed a new level of the Booster Club that does not require any reminders or renewals. Plus it gives you the opportunity to pay monthly (like on your credit card) with no interest and with ALL of your donation goes to help Mid-South provide sight and hearing care to the needy.

Just pick your investment level (\$10 per month minimum, please) and your deduction interval (monthly, quarterly, semi-annually, or annually), complete a Debit Authorization Form and attach one of your checks marked VOID. Then relax, knowing that your contribution is helping the sight and hearing impaired.

Rest assured that **ONLY YOUR BANK** and Mid-South's bank will have access to your account. Constant monitoring of this type of transaction helps insure that all accounts are secure.

Gifts for the appropriate giving level will be sent to you in July of each year that you participate. **NO RENEWAL NOTICES, NO BIG CHECK TO WRITE AND NO HASSLE**, plus you are personally giving the gifts of sight and hearing to those in need.

In the game of life, the Mid-South Lions Team is pitted against a tough opponent, Blindness and Hearing loss. Just as your favorite athletic teams must have funds to compete, the Mid-South Lions Team must have the dedication and support of its Booster Club in order to win the game.
