_____ % Operating Fund	_____ % Equipment Fund	_____ Endowment Fund
(Cash patient expenses, business operations or other cash expenses)	(Goes toward the purchase of hospital equipment)	(Is invested to produce future funding)

*Undesignated contributions will be deposited in the Operating Fund*

The EDWARD DALSTROM Distinguished Service Award

The highest honor that Mid-South Lions Sight And Hearing Service can bestow is named for the organization's first president, Edward Dalstrom. Lions Clubs can honor a club member or a member of their community with this prestigious award by making a \$1,000 contribution to Mid-South. Please complete the form on the back of this card. Your contribution may be split, or the entire contribution may be deposited into one account. Please designate what percentage should be deposited to each account. The operating fund provides all the cash funding for Mid-South and is used to pay cash patient expenses and administrative costs. The equipment fund is used exclusively to purchase hospital equipment and produces "credit" for payment of patient expenses. Choosing the Endowment Fund means that your contribution will be invested to produce interest or dividends which will generate funds for patient care and operations.

The Edward Dalstrom Distinguished Service Award is a great way to honor those individuals who are living the Lions motto of "We Serve". It also helps the Mid-South Lions Sight And Hearing Service to continue providing service for patients in your service area.

*With your help, we're making a difference that everyone can see and hear.*
